

Governor's Public Health Commission Engagement Plan

Format	Description	Frequency	Participation / Distribution
Public Comment Website	All relevant meeting materials, future dates, and member information are posted on the website for review and feedback. Any Indiana resident may submit comments on topics under discussion by the Commission.	Comment form link now live on the GPHC website and will remain through CY 2022	Comments will be summarized in a written report for discussion at Commission meetings
Social Media	IDOH will use its social media streams to distribute information regarding the Commission.	At least monthly for duration of work	Indiana residents online
Stakeholder Meetings	Meetings with various stakeholder organizations to educate and generate support for the Commission's work	Goal to schedule as many as possible in Q4 of CY 2021	Dr. Box and Senator Kenley will co-present (as appropriate)
Listening Tour	Public meetings held across the state to solicit feedback from Hoosiers. In addition to the general public, will target invitations to local health officers, county commissioners/ councilors, key local businesses, hospital CEOs and incident commanders, schools, and legislators.	Seven hearings occurring on Fridays in January-March, 2022	In addition to Dr. Box, interested Commission members, other officials will be invited to attend and participate
Legislator Updates	Provide key themes and takeaways for leadership and Senate and House Health/Provider committees after each Commission meeting. Additionally, IDOH will cover information in Legislative Newsletter that goes to all Legislators. Other ad hoc meetings can be scheduled as needed.	Continues throughout the remainder of CY 2021 and CY 2022	Sen. Kenley will provide updates; Dr. Box will lead informational meetings as needed
Press Releases	IDOH will issue media advisories prior to each Commission meeting and press releases after each meeting to recap presentations, key themes, and upcoming topics.	Monthly for duration of work	Media outlets
